

Rhafi Ramansa Moeloek

Architecture · Interior · BIM · UI/UX & Web Design

PROFILE

Fourth-year architecture student at Universitas Katolik Parahyangan (UNPAR) who designs both spaces and the screens that sell them. Six client-approved architecture and interior concepts (one under construction) and an approved hospital façade from my internship, plus four client websites and my own web app, all designed and built by me (launching soon). Strong in BIM coordination (Revit, Autodesk Construction Cloud), 3D visualisation and AI-assisted workflows. Open to remote internships and junior roles in architecture, interior design, BIM, and UI/UX or web design.

EXPERIENCE

Mar 2025 – present	Founder & Designer · RHAF Studio, Bandung (architecture & interior practice) - Delivered six client-approved concepts across hospitality, wellness, housing and interiors, owning site measurement, client briefing, space planning, 3D modelling and rendering. Fornife Restaurant (2,400 m², restaurant, bar and stage with full operational programme) · NEKO Japanese Café (520 m² redesign) · Tropical Spa Renovation (240 m², locally sourced) · Housing prototype (180 m²) · two private interiors. Hypnotherapy Counselling Room, Bandung: under construction; I supervise on site and direct the contractors.
2025 – present Freelance · remote	UI/UX & Web Designer · freelance, clients in Indonesia and Australia - Designed and built responsive websites for four client brands (pre-launch): HOTE (streetwear, drops and lookbook, dark/light mode), Ruang Therapeutic (counselling and hypnotherapy), Ruang Nafas Baru (quit-smoking running community) and Sanara Ruang (custom furniture). CariClient (my own product, pre-launch): for Indonesians seeking remote work; sales landing page, free job board, salary page and a three-module web app (65 screens), mobile-first. - Mobile-first UX, brand-led UI, scroll interactions and WhatsApp conversion flows in HTML, CSS and JavaScript (GSAP, Lenis), with an AI-assisted build workflow. Trialblaze.com, Australia: UI/UX for one web project and a logo, delivered remotely.
2025 – present	Social Media Content Designer · HOTE (@hote.id) and Raviastra Exports (@raviastra.exports) Run content end to end for a streetwear brand (drops, lookbooks, “HOTE News” explainers, giveaways) and a B2B furniture-sourcing company (carousels, Reels, process explainers): 46 posts across two visual systems.
Jun – Sep 2026	Architecture Intern · Jasa Ferrie Pratama (JFP), medical & hospitality architects Designed the façade concept for RS Yadika Kebayoran Lama, a five-storey hospital in Jakarta: five modern-tropical options modelled in SketchUp and rendered in D5 with AI-developed atmosphere; concept approved by JFP.

EDUCATION & COMPETITION

2023 – present	Bachelor of Architecture · Universitas Katolik Parahyangan (UNPAR), Bandung Group leader, Design Studios 1–4. Studio 5: Golden Thread Creative Hall, a 10,916 m² mixed-use hub with a full drawing set and 1:50 façade details. Studio 4: Shell N' Nest, a 1,882 m² hillside complex. Studio 6: full Revit model with clash detection in ACC (1,189 clashes reviewed).
International	Volume Zero Tiny House Competition · Hadiah, modular learning house for coastal Belitung

SKILLS & SOFTWARE

BIM & CAD	Revit · ArchiCAD · AutoCAD · Autodesk Construction Cloud (clash detection, scheduling, reporting) · Autodesk Forma
Design & 3D	SketchUp · Rhino 8 + Grasshopper · D5 Render · Enscape · concept design · space planning · façade design · drafting
UI/UX & Web	Figma · user flows · responsive and mobile-first UI · design systems · HTML · CSS · JavaScript · GSAP · Lenis
Graphics & content	Photoshop · Illustrator · Lightroom · CapCut · AI image generation and editing
AI & sustainability	AI workflows and automation with Claude Code · AI rendering · EDGE green-building compliance
Professional	Client briefing · project management · site supervision · team leadership
Languages	Indonesian (native) · English
